Dear Parent,

Section 59-18-900 of the Education Accountability Act requires that annual school report cards include “evaluations of the school by parents, teachers, and students.” Parent perceptions as collected in the Parent Opinion Survey appear on our school report card and provide school staff with insight to issues within our school.

In previous years, Colleton County Students in grades 5, 8, and 11 participated in this state department paper survey. This year the survey has been moved to an online platform and is accessible via computer and mobile device. All parents of students in grades K-12 may now participate.

Please complete the Parent Opinion Survey by: May 14, 2021.

Throughout this unusual school year, we have solicited your input for many topics. Your time and effort in providing us input is greatly appreciated. The data collected from this survey will appear on our school report card next fall. Therefore, we are appreciative of your willingness again to provide us with your input. This school year will not have been possible without the support of our parental stakeholders.

Sincerely,

Dr. Joseph Hollington
Principal
